Among the vastness of the world is the lord of Eden, which is actually the legendary past ruler of the fantasy world setting of Sword Art Online, Reki Kawahara. The legend states, "Whoever possesses the Elden Ring, the powerful source of magic and draws the power of all the dragons, will become a lord." While the legend that he be cursed into the dimension where Sword Art Online occurs, Reki Kawahara will become a lord by wielding the power of the Elden Ring in Battle Angel Gale and is here to take the power of the dragon.

The game's epic drama and humorous and dramatic characters place it in the same league as Sword Art Online. Also brand new elements in the Fantasy Role-Playing game genre are introduced, such as having your own personal character development method, combining weapons, armor and magic of various types, and online play.

=========== Game Overview ===========

Take on the role of Tarnished. Was your life not yours to command since birth? This is your chance to become a lord!

In the world of 'Lands Between' where the age of dragons has not yet ended, you were born to a ruling house but were abruptly dethroned. Now you have nowhere to call home and nothing to reclaim. Wielding the power of the dragon Elden Ring, its first hammer, your goal is simple; shine under the light of the two moons and become an empress! In the never ending cycle of life and death, you have but one chance. One life, one destiny -- embark on a grand adventure with the people you have known since childhood!

Your own personal evolution system allows you to shape the kind of person that you are into that is enjoyable yet somewhat difficult. You can cross paths with a number of other characters as your adventure unfolds, all of whom are new and interesting individuals. Embrace them and grow with your adventure for they may prove to be
